- NO Sanitary Products
- NO Cotton Balls or Cotton Swabs
- NO Dryer Lint or Dryer Sheets of any kind

BIN CARE

Wash/rinse your bin as needed (more so in the summer).
Baking soda helps.

Please line your green cart to prevent items from freezing to the bin or sticking in the summer.

Examples of liners:

- Paper bags from the grocery store
-- three to four filled bags fit into the green bin
- BPI-certified "compostable" bags
-- must have the BPI logo
- Zumi's compostable coffee bags
-- limited availability at special events and DPW office
