

Styrofoam **and** Electronics Collections

Saturday, May 16th

Winthrop School Parking Lot

9 AM to noon

Save the Date – and Your Styrofoam™

The Ipswich Waste Reduction Advisory Committee is sponsoring a Styrofoam™ recycling event at the Winthrop School on Saturday, May 16, from 9 a.m. to noon. The foam – expanded polystyrene (EPS) – can be recycled if it is **CLEAN and WHITE**.

The collection is free for residents, but the Waste Reduction Advisory Committee pays \$650 to have the foam trucked away and recycled.

The collection vendor, Gold Circuit, does NOT take packing peanuts or foam with colors, which will contaminate the recycling. Also EXCLUDED are food containers, which can contaminate the melting process.

Styrofoam food containers were banned in Ipswich in 2016 at town meeting after a presentation by the Ipswich High School Sustainability Students.

The following goods will be **ACCEPTED**.

- White bulk packing blocks
- White insulation
- White packing coolers
- White fish boxes

The following items will **NOT** be accepted.

- Packing peanuts
- Food containers
- Any colors other than white
- Any foam that is dirty or contaminated

ELECTRONICS RECYCLING FUND-RAISER
