

Stay safe while enjoying the outdoors & have a backup plan

The Town of Ipswich has many options for getting outside.

If a parking lot is full, don't risk your health!

Have a backup plan and visit one of our other open spaces:

- Linebrook Woods Conservation Area
- Maplecroft Trail
- Nichols Field
- Pony Express
- Shady Creek Conservation Area
- Turkey Hill Conservation Area
- Strawberry Hill Conservation Area
- Dow Brook Conservation Area (more popular right now)

Check the Open Space Program website for more information:
