

Trash Bins

Toter Heavy Duty Two-Wheel Trash Cart, 96 Gallon Blue - ANA96-00BLU

The Toter heavy duty trash cart is a 2-wheeled garbage container with a molded-in axle and attached lid. Toter carts are manufactured through their patented advanced rotational molding process using medium density polyethylene. This allows for added rigidity and extra material in critical wear areas, creating their patented rugged rim at the top edge and the wear strip at the bottom of the container. Toter carts offer a service life expectancy virtually double that of other brands and each comes with a 10 year warranty. They are ANSI certified, the preferred choice of professional haulers and are compatible with automated or semi-automated collection waste truck lifters. The industry's best tilt-to-roll ratio and easy maneuverability create an effortless roll. The large footprint and aerodynamic design create a superior wind and set-down stability. A distinctive, textured finish masks normal wear and tear and keeps your Toter looking new for years.

Product Specifications

- WIDTH INCHES 29-3/4
- DEPTH INCHES 36
- HEIGHT INCHES 43-1/2
- CAPACITY LBS 335
- COLOR FINISH Blue
- ASSEMBLY Assembled
- CONSTRUCTION Plastic
- MANUFACTURERS PART NUMBER ANA96-00BLU
- PACKAGE QUANTITY 1
- WEIGHT LBS 35.00
- WHEEL DIAMETER INCHES 10
- BRAND Toter
- DESCRIPTION Trash Cart
- CAPACITY GALLONS 96
