- (b.1) Bridge Applies to any structure, whether single or multiple span construction, that spans a body of water, depression, highway, or railway, and affords passage for pedestrians or vehicles of all kinds of any combination thereof of twenty feet or more.

ARTICLE II

AUTHORITY AND DUTIES OF POLICE

Section 1. Police to Direct Traffic

It shall be the duty of officers designated by the Chief of Police to enforce the provisions of these rules and regulations. Such officers are hereby authorized to direct all traffic, either in person or by means of visible or audible signal in the conformance with the provisions of these rules and regulations, provided that in the event of a fire or other emergency in order to expedite traffic or safeguard pedestrians, officers of the Police and Fire Departments may direct traffic, as conditions may require, notwithstanding the provisions of these rules and regulations.

Section 2. Police May Close Streets Temporarily

The Chief of Police, or acting Chief of Police, is hereby authorized to close temporarily any street or highway in an impending or existing emergency or for any lawful assemblage, demonstration or procession, provided there is reasonable justification for the closing of such street.

Section 3. Police May Prohibit Parking Temporarily

The Chief of Police, or acting Chief of Police, is hereby authorized to prohibit, temporarily, parking on any street or highway, or part thereof in an impending or existing emergency, or for a lawful assemblage, demonstration or procession, provided there is reasonable justification for such prohibition. Vehicles parked in places where parking is prohibited temporarily may be moved by or under the direction of an officer.

Section 4. Exemptions

The provisions of these rules and regulations shall not apply to drivers actually engaged in work upon a street or highway closed to travel or under construction or repair, to officers when engaged in the performance of public duties, nor to drivers of emergency vehicles while operating in an emergency and in performance of public duties when the nature of the work of any of these circumstances necessitates a departure from any part of these rules and regulations. These exceptions shall not, however, protect the driver of a vehicle from the consequence of a reckless disregard of the safety of others.

ARTICLE III

TRAFFIC SIGNS, SIGNALS, MARKINGS AND ZONES

Section 1. Traffic Signs and Signals

- (a) The Director of Public Works is hereby authorized and, as to those signs and signals required hereunder, it shall be his duty to place and maintain, or cause to be placed or maintained, all official traffic signs, signals, markings and safety zones. All signs, signals, markings and safety zones shall conform to the standards as prescribed by the Department of Public Works of the Commonwealth of Massachusetts.
- (b) Section 2. and 3. of ARTICLE II, subsections (j) and (l) of Section 1., and Sections 2. to 5. inclusive of ARTICLE V relating to parking shall be effective only during such time as official signs are erected and maintained in each area designating the provisions of such sections and are located so as to be easily visible to approaching drivers.
- (c) Sections relating to one-way streets shall be effective only during such time as a sufficient number of official signs are erected and maintained at each of the exits for each one-way street, so that at least one sign shall be clearly visible for a distance of at least seventy-five (75) feet to drivers approaching such an exit.
- (d) On any street where spaces have been marked for the parking of vehicles by lines painted on the surface of the roadway, it shall be unlawful for any driver to park a vehicle unless it is wholly within the painted white lines.

Section 2. Display of Unauthorized Signs, Signals, and Markings Prohibited

No person or corporation shall place, maintain or display upon or in view of any street, any unofficial device, sign, signal, curb marking or street marking which purports to be or is an imitation of or resembles an official traffic device, sign, signal, curb marking, or street marking, or which attempts to direct the movements of traffic, or which hides from view any official sign, signal marking or device. The Chief of Police, or acting Chief of Police, is hereby empowered to remove every such prohibited sign, signal, marking or device, or cause it to be removed, without notice.

Section 3. Obedience to Traffic Signs, Signals and Markings

No driver of any vehicle shall disobey the instructions of any official traffic control signal, sign, marking or legend unless otherwise directed by a police officer.

Section 4. Interference with Signs, Sign Legend, Markings Prohibited

No person who willfully defaces, injures, moves, obstructs, or interferes with any official traffic sign, signal, or marking shall be liable to a penalty not exceeding fifty dollars (\$50) for each and every offense.

Section 5. Location of Bus Stops, Taxicab Stands and Service Zones

The location of all bus stops, taxicab stands and service zones shall be specified by the Board of Selectmen and, in the case of taxicab stands, the Chief of Police, with the approval of the Board of Selectmen, shall designate who may use them as such.

Section 6. Location of Traffic Islands

Pursuant to the provisions of Massachusetts General Laws Chapter 85, Section 2, traffic safety islands shall be installed and maintained at the following locations:

- (a) North Main Street at High Street and East Street
- (b) Market Street at Market Square
- (c) East Street at County Street
- (d) East Street at Spring Street and County Street
- (e) Northgate Road at Argilla Road
- (f) Washington Street and Market Street at Topsfield Road

 - (3) Winthrop School driveway and parking lots
 - (4) Doyon School driveway and parking lots
 - (5) Mile Lane field parking lot

[Section (b) adopted effective 9/13/01]

Section 8. Safety Zones

Pursuant to Massachusetts General laws, Chapter 90, Section 18B, establishment of designated safety zones shall be installed and maintained in the following areas:

- (a) Linebrook Road - beginning at its intersection with Lord Square (railroad crossing) westerly for a distance of one thousand, five hundred (1,500) feet. [12/21/20].

ARTICLE IV

ZONES OF QUIET

The Director of Public Works may temporarily establish a zone of quiet upon any street where a person is seriously ill. Said temporary zone of quiet may embrace all territory within a radius of two hundred (200) feet of the building occupied by the sick person. Said temporary zones of quiet shall be designated by the Director of Public Works by placing at a conspicuous place in the street a sign or marker bearing the words "Zone of Quiet".

ARTICLE V

STOPPING, STANDING, PARKING

Section 1. General Prohibitions

No person shall allow, permit or suffer any vehicle registered in his/her name to stand or park in any street, way, highway, road, or parkway under the control of the Town of Ipswich in violation of any of the Traffic Rules and Regulations adopted by the Board of Selectmen, and in particular in any of the following places, except when necessary to avoid conflict with other traffic or in compliance with the direction of a police officer or traffic sign or signal. Vehicles found violating any of the provisions of this Section may be moved by or under the direction of an officer and at the expense of the owner:

- (a) Within an intersection;
- (b) Upon any sidewalk;
- (c) Upon any crosswalk;
- (d) Upon the roadway in a rural or sparsely settled district;
- (e) Upon a roadway in a business or industrial zone where parking is permitted unless both wheels on the right side of the vehicle are within twelve (12) inches of the curb or edge of the roadway, except upon those streets which are designated as one-way streets. On such one-way streets, vehicles shall be parked in the direction in which said vehicle is moving and with both wheels within twelve (12) inches of the curb. These restrictions shall not apply to streets or parts of streets where angle parking is required by these regulations;
- (f) Upon any roadway where the parking of a vehicle will not leave a clear and unobstructed lane at least ten (10) feet wide for passing traffic;
- (g) Upon any street or highway within ten (10) feet of a fire hydrant;
- (h) In front of any private road or driveway;
- (i) Upon any street or highway within twenty (20) feet of an intersecting way, except an alley;
- (j) No driver of a vehicle shall stop or stand his/her vehicle on the same side of the street within twenty (20) feet of the front wall of a fire station, nor within seventy-five (75) feet of a straight line extending at right angles across the street from the center of the front line of the lot on which a fire station is located, except to let off or take on passengers or to receive or deliver goods or merchandise, provided signs are erected acquainting the driver of such restrictions; [Amended May 15, 1986]
- (k) Alongside or opposite any street excavation or obstruction when such stopping, standing or parking would obstruct traffic;
- (l) Within twenty-five (25) feet of the nearest rail of a railroad crossing when there are no gates at such crossing; otherwise within five (5) feet from the gate;
- (m) On a bridge or the approach thereto;

- (n) If such vehicle, registered in the name of a person who is not an Ipswich resident or in the name of a business the principal place of which, and the registration address of which, is not located in Ipswich. [Added 4/13/98]

ARTICLE VIII

**ADVERTISING SIGNS, DISPLAY AND STORAGE OF MATERIALS IN
STREETS**

Section 1. Using Vehicles for Sole Purpose of Displaying Advertising Prohibited

No person shall operate or park a vehicle on any street or highway for the sole purpose of displaying advertising signs.

Section 2. Advertising Signs On Sidewalks or Streets Must Have Permits

No person shall erect or cause to be erected upon or above any sidewalk, street, or highway any advertising sign or device which projects into or over the sidewalk, street or highway more than six (6) inches, unless a permit authorizing erection of such sign or device has been issued by the Board of Selectmen and is in effect. After five days' notice, illegal advertising signs or devices may be removed by or under the direction of a police officer and at the expense of the owner.

Section 3. Placing of Structure or Property in Streets Prohibited

- (a) No person shall place, erect, or cause to be placed or erected within any sidewalk, street or highway any fixture or structure unless a permit, issued by the Selectmen, in the case of town ways, or the Department of Public Works, Commonwealth of Massachusetts, in the case of state highways, authorizing such placing or erection has been granted and is in effect.
- (b) No person, other than one employed directly or indirectly by the Town of Ipswich, or by the Commonwealth of Massachusetts, while in the performance of necessary public duties, shall at any time, deposit or leave in any sidewalk, street or highway, any article, material or merchandise, or park a vehicle or cart in any sidewalk, street or highway for the purpose of displaying merchandise, unless a permit issued by the Board of Selectmen in the case of town ways, or by the Department of Public Works in the case of state highways, authorizing the use of the sidewalk, street or highway has been granted and is in effect, except as may be necessary for the reasonable and expeditious loading or unloading of any such article, material, merchandise, cart or vehicle, provided, however, that such property shall never be left so as to obstruct the free passage of pedestrians or vehicular travel.

- (c) Any such fixture, structure or property as referred to in this section which has been erected, deposited or left illegally in any street, highway or sidewalk may be moved by or under the direction of a police officer and at the owner's expense.

Section 4. Deposit, Bond or Insurance Policy May Be Required For Privilege of Using Street For a Special Purpose

The Board or officer issuing permits for use of sidewalks, streets, or highways as are described in the two previous Sections may, in its or his/her discretion, when occasion justifies, demand a suitable cash deposit, surety bond or insurance indemnity policy to save the Town or the Commonwealth of Massachusetts harmless from all liability of any nature whatsoever caused directly or indirectly by such use of the sidewalk, street or highway.

ARTICLE IX

ACCIDENT REPORTS, RESPONSIBILITY, AND PENALTIES

Section 1. Drivers Must Report Accidents

The driver of any vehicle involved in an accident resulting in the injury or death of any person or property damage in excess of one thousand dollars (\$1,000) shall, within five (5) days make a full and complete report in writing of such accident to the police headquarters in this Town. ARTICLE X

REPEAL

Section 1. Intent

- (a) These rules and regulations are adopted with the intent that each of them shall have force and effect separately and independently of every other except insofar as by express reference or necessary implication any rule or any part of a rule is made dependent upon another rule or regulation or part thereof.
- (b) The provisions of these rules and regulations, provided they are the same as those existing rules, orders or regulations heretofore made by the Selectmen of The Town of Ipswich relative to or in connection with official signs, lights, markings, signal systems or devices, shall be construed as a continuation thereof, but all other existing rules, orders and regulations so made for the regulation of vehicles are hereby expressly repealed. This repeal, however, shall not affect any punishment or penalty imposed or any complaint or prosecution pending at the time of the passage hereof for an offense committed under any of the said rules, orders, or regulations hereby repealed.

Section 2. Effect of Regulations

If any section, subsection, sentence, clause or phrase of these rules and regulations is for any reason unlawful or unconstitutional, such decision shall not affect the validity of the remaining portion of these rules and regulations. The Board of Selectmen hereby declares that it would have passed these regulations and each section, subsection, sentence, clause or phrase thereof irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared unlawful or unconstitutional.
