

Restroom Facility Agreement

Operators of mobile food operations shall obtain the use of adequate and suitable toilet facilities where hand washing facilities are available. 105 CMR 590.009 (B) (11)

1. The business named below must furnish written approval to the mobile food vendor at the time of the mobile food unit's initial licensing and each license renewal.
2. The business must allow the mobile food vendor employee(s) to use the restroom facilities of the business during the mobile vendor's hour of operations.
3. The restroom must be located within 200 ft of the mobile vending unit.

I, _____ have read and understand the items of responsibility
Business Owner or Responsible Party

listed above and agree to comply with all of the requirements. I give permission to

_____ to use my establishment,
Mobile Food Vendor

_____, located at _____,
Business Name Business Address

as their main restroom facility.

I understand that I (business owner/responsible party) need to notify the Ipswich Public Health Office should I be unable to honor this agreement for any period of time, and that I (mobile food vendor) need to find alternative arrangements and inform the Ipswich Public Health Office in writing should such need arise. If restroom facilities are found inadequate or do not meet minimum sanitation requirements, this agreement may be rescinded.
