## OTHER

**Music and Memory** is a nonprofit organization that brings personalized music into the lives of the elderly or infirm through digital music technology. The personalized therapeutic music enables individuals struggling with Alzheimer's, dementia and other cognitive and physical challenges to reconnect with the world through music-triggered memories. Visit <https://musicandmemory.org/donate-my-ipod/> to donate working-condition iPods, iPhones and iPads.

**National Cristina Foundation** accepts donated computers to give to people with disabilities and others at risk.

Visit [www.cristina.org/non-profit-locator/](http://www.cristina.org/non-profit-locator/) for information about Beverly School for the Deaf (Beverly) and Triangle, Inc. in Malden.

**AT&T** – The AT&T Trade-in Program lets AT&T customers turn in old wireless phones and tablets at AT&T Wireless stores to receive an AT&T Promotion Card. The card can be used to offset the cost of some of the latest wireless devices, purchase of other AT&T products and services or the value can be donated to an AT&T-designated charity. Visit <https://www.att.com/gen/general?pid=20369> for details.
